PREPARING FOR THE SUMMER AND HURRICANE SEASON

June 1st is the beginning of hurricane season and we don't want to have flying debris cause damage to ANY unit.

- Take in all rugs and mats. Mower blades love to eat them. Any rugs/mats left out will be disposed of.
- Make sure decorative/stepping stones are **level with the ground**. Otherwise, we cannot mow over them.
- All planters or decorations should be stored inside for the summer or under your home. Once they blow into your neighbors' yard, we can't identify whose they are. **Put your grill, lawn chairs, ladders, clothesline poles, etc. inside before you leave.** **No clothesline poles should remain outside after you have gone.**
- You'll also want to put your awnings down before going north. It gets hectic here if we are preparing for a hurricane. All you do to help get your unit ready for a potential Hurricane is in everyone's best interest.
- Make sure you get permission from the owner of a unit, **before** you store your vehicle, boat, golf cart, etc. in a carport or on a lot that isn't assigned to you. If you will be using another resident's area, give the office written documentation about these summer changes.
- Before leaving the Park for the summer, please make sure the Park office has current emergency information and current address and phone numbers on file.

FYI: FUN FOR NEXT SEASON

Halloween Monster Mash (bring costumes)

Sea Cruise Party at the Club House (?)

Jungle Safari (safari or jungle clothing)
